One

Why didn't you check the passports?

Two

I don't know, I've never been anywhere since my mum died

One

You could have checked. Its common sense!

Two

Then why didn't you say something?

One

Coz I left it up to you, and you let me down.

This place is a shit hole

Two

It's not that bad. We could get something to eat.

One

The café's closed

Two

There's other places.

One

I can't go walking about can I? The cops have my picture.

Two

I was just trying to help

One

Well don't. You're not helping. This isn't how it supposed to be.

Two

It'll be ok

One

How the fuck will it be ok? We can't get across to Ireland. I'm being chased by cops. It's pissing down and we don't have passports. Yeah everything's just top banana.

Two

Oi stop-

One

Just once ...just once I wanted to be alright. Start again somewhere new.

Leave me! Go on fuck off.

Two

I don't want to go

One

(Sarcastic)

Alright then stay. Come on then enjoy it. Have a fucking laugh. Come on...

Two

Ok I'll go

One

Shit. I'm sorry. I didn't mean it. Let's think of a way out of this
